

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 13, 1996

SUBJECT: **SB 2703 - HB 2707**

This bill, if enacted, will require that individuals entering the teaching profession after July 1, 1984, must submit scores on secure standardized tests designated by the State Board of Education. These tests shall be made available through the regular administration offered by a national testing organization or shall be developed and administered by the Department of Education.

The fiscal impact from enactment of this bill is estimated to be minimal, since it merely replaces a testing procedure already in place.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
